

Oligo[®] Mo

2.0

GUARANTEED MINIMUM ANALYSIS: Total Nitrogen (N) 2%, Molybdenum (Actual Mo) 2%

GENERAL INFORMATION

OLIGO[®] Mo 2.0 2% is a foliar nutrient solution. This product can be applied to all crops. Applications of this product must be based on leaf or soil analysis, deficiency symptoms or plant requirements.

Shake well before pouring into sprayer.

NOTE

OLIGO[®] Mo 2.0 is recommended for use as a supplement to a complete fertilizer program that is adapted to the fertility level of the soil.

Consult your agricultural representative for advice in selecting treatments from this label that best fit local conditions.

FOLIAR TREATMENTS

For best results, treat early in the season. Treat the crop when actively growing, early in the morning, late in the day or during overcast periods. Used between 200 L and 500 L of water per ha. With Ultra Low Volume (U.L.V.) sprayers, use at least 50 L of water/ha. If the spray solution is too concentrated, slight injury to the leaves may occur. For aerial applications, do not use more than one (1) L of this product for every four (4) L of water.

**TOTAL YEARLY RATE OF APPLICATION
BASED ON DEFICIENCY SYMPTOMS: 2-6 LITRES/HECTARE**

Field crop and soybeans

If leaf or soil analysis are not available, apply as soon as deficiencies are noticed or before the crop has reached a third of its growth. For soybeans, apply 2 liters/ha before third trifoliate stage.

Vegetables

If leaf or soil analysis are not available, apply as soon as deficiencies are noticed or before the crop has reaches a third of its growth. If necessary, apply 2 liters/ha, with a maximum of three applications during the season.

STORAGE

This product must be kept above 0°C.

DISPOSAL OF EMPTY CONTAINERS: Triple rinse, dispose of empty container in accordance with municipal/provincial/federal regulations or recycle through the Clean Farms Empty Container Recycling Program.

NOTICE

Seller warrants that the product consists of the ingredient specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one, other than the officer of seller, is authorized to make any warranty, guarantee or direction concerning this product.

CAUTION: This product contains molybdenum and should be used only as recommended. It may prove harmful when misused. Keep out of reach of children.
